

PROJECT REPORT

Mohan Foundation

Empowering Communities Through Health, Education & Social Welfare

Founder & President: Dr. Nita Jha

About Mohan Foundation

Mohan Foundation is a social welfare organization committed to improving the quality of life of underserved and vulnerable communities. The foundation focuses primarily on healthcare, health awareness, preventive care, education, women empowerment, child welfare and community development. Under the leadership of **Dr. Nita Jha, Founder & President**, the foundation aims to create healthier, educated, aware and self-reliant communities. Mohan Foundation believes that good health is the foundation of a better future and works towards ensuring that essential health information and support reach people who need it the most.

Health & Community Development Initiatives

- Free Health Check-up Camps for underserved communities.
- Health Awareness Programs on hygiene, nutrition, preventive healthcare and healthy lifestyles.
- Women's Health Initiatives, including awareness related to maternal and reproductive health.
- Child Health & Nutrition Programs to promote healthy growth and development.
- Disease Awareness Campaigns for communicable and non-communicable diseases.
- Mental Well-being and Community Counselling Awareness programs.
- Education and Capacity Building for communities to help them make informed health decisions.
- Collaboration with healthcare professionals, social organizations, institutions and community stakeholders.

Our Vision

To build a **healthy, educated, empowered and inclusive society** where every individual has access to awareness, opportunities and essential support for a better quality of life.

Our Mission

To serve communities through sustainable social development initiatives with a strong focus on **health, education, awareness, empowerment and welfare**, especially for vulnerable and marginalized sections of society.
